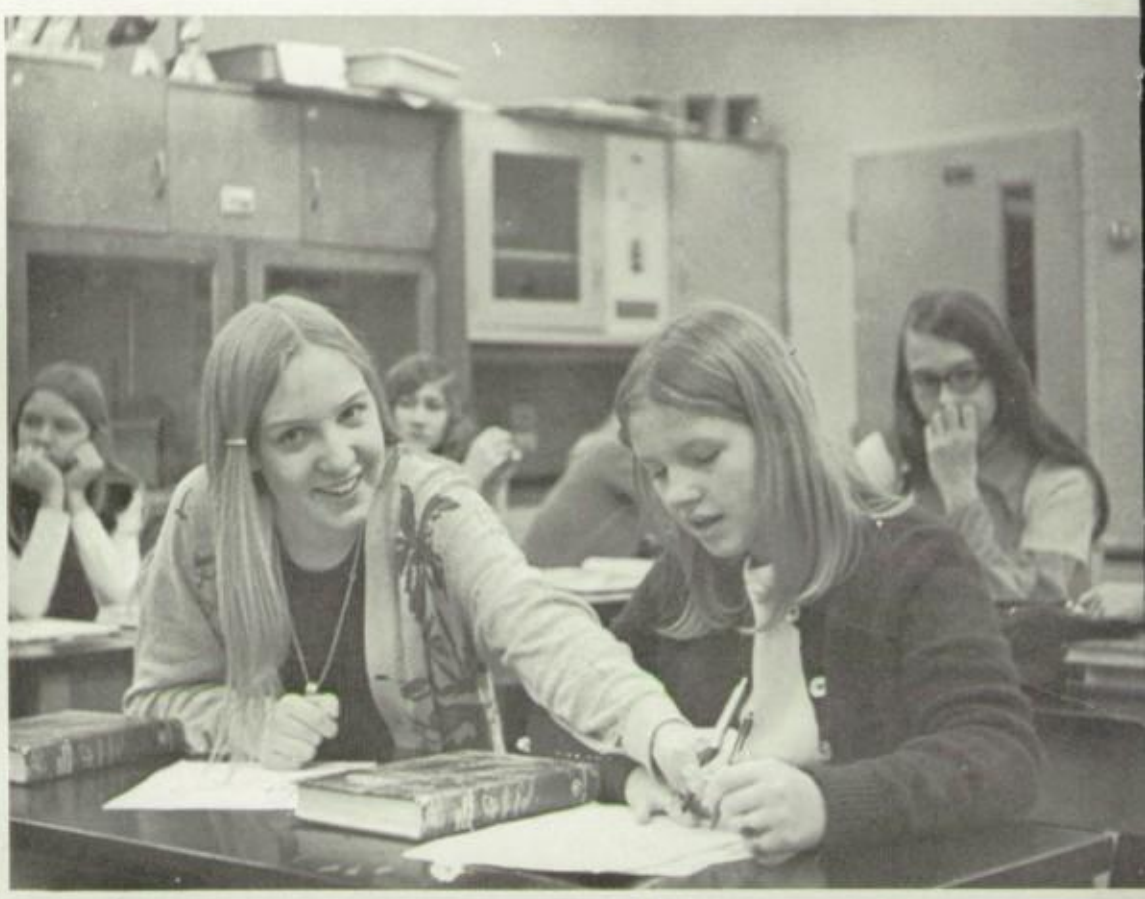
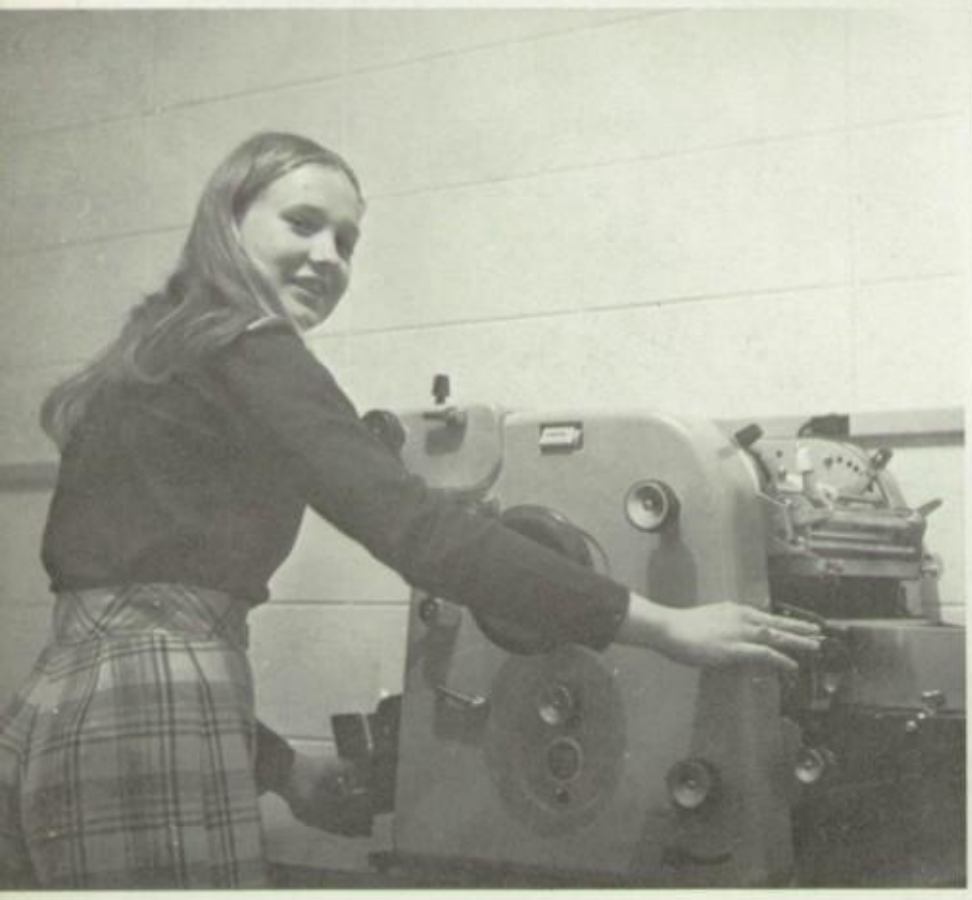
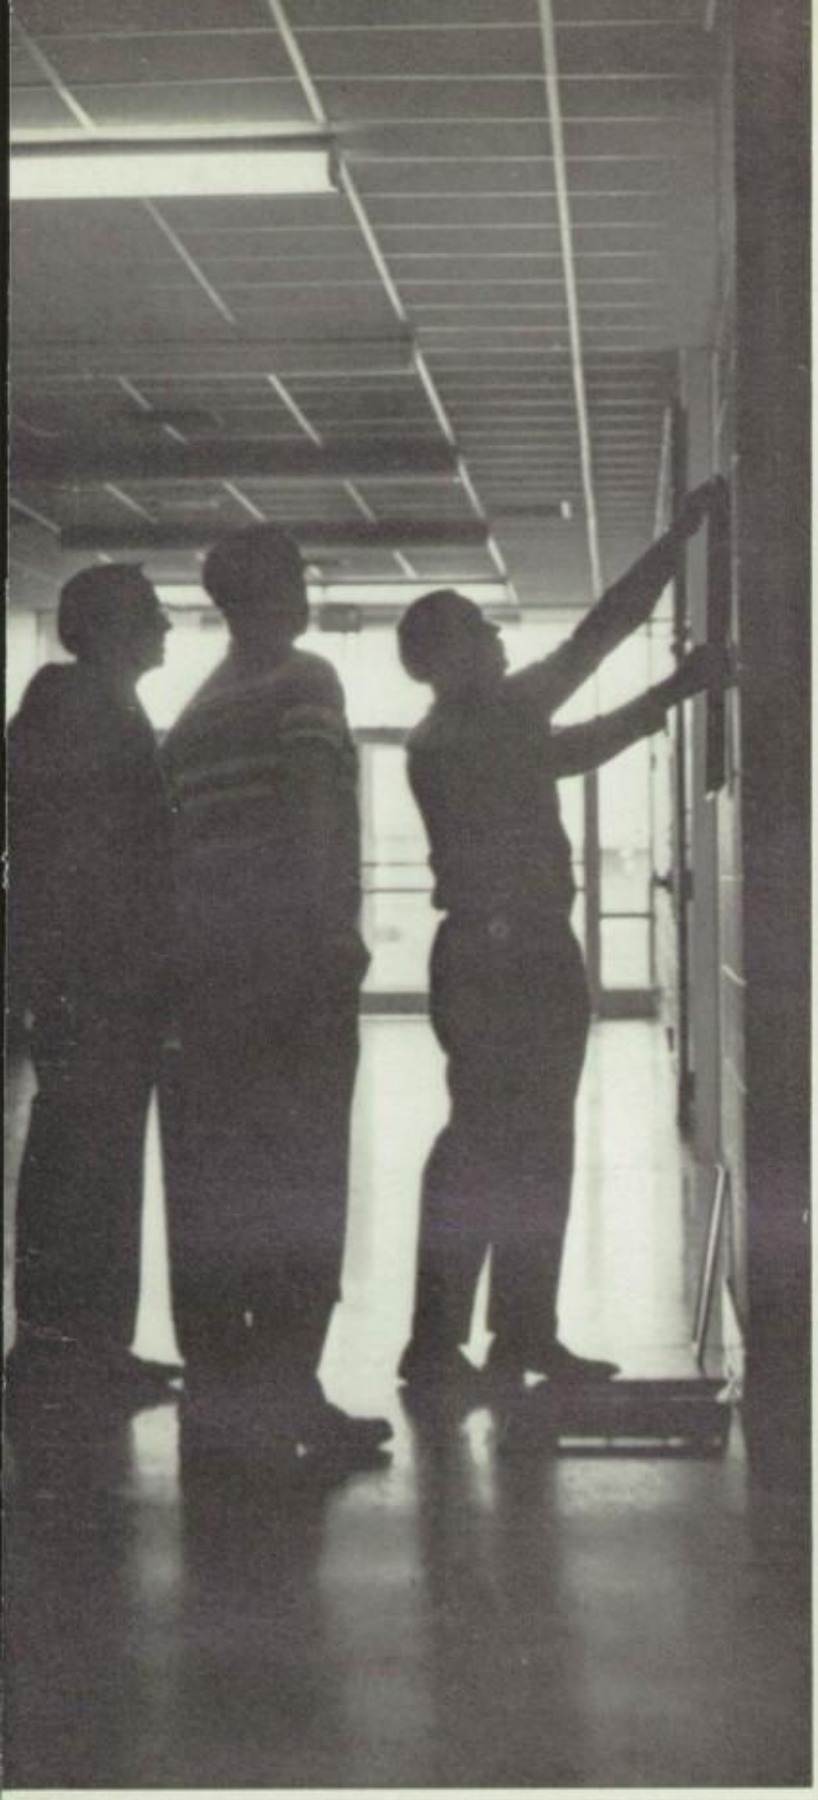
1974 Bugler Horicon, Wisconsin

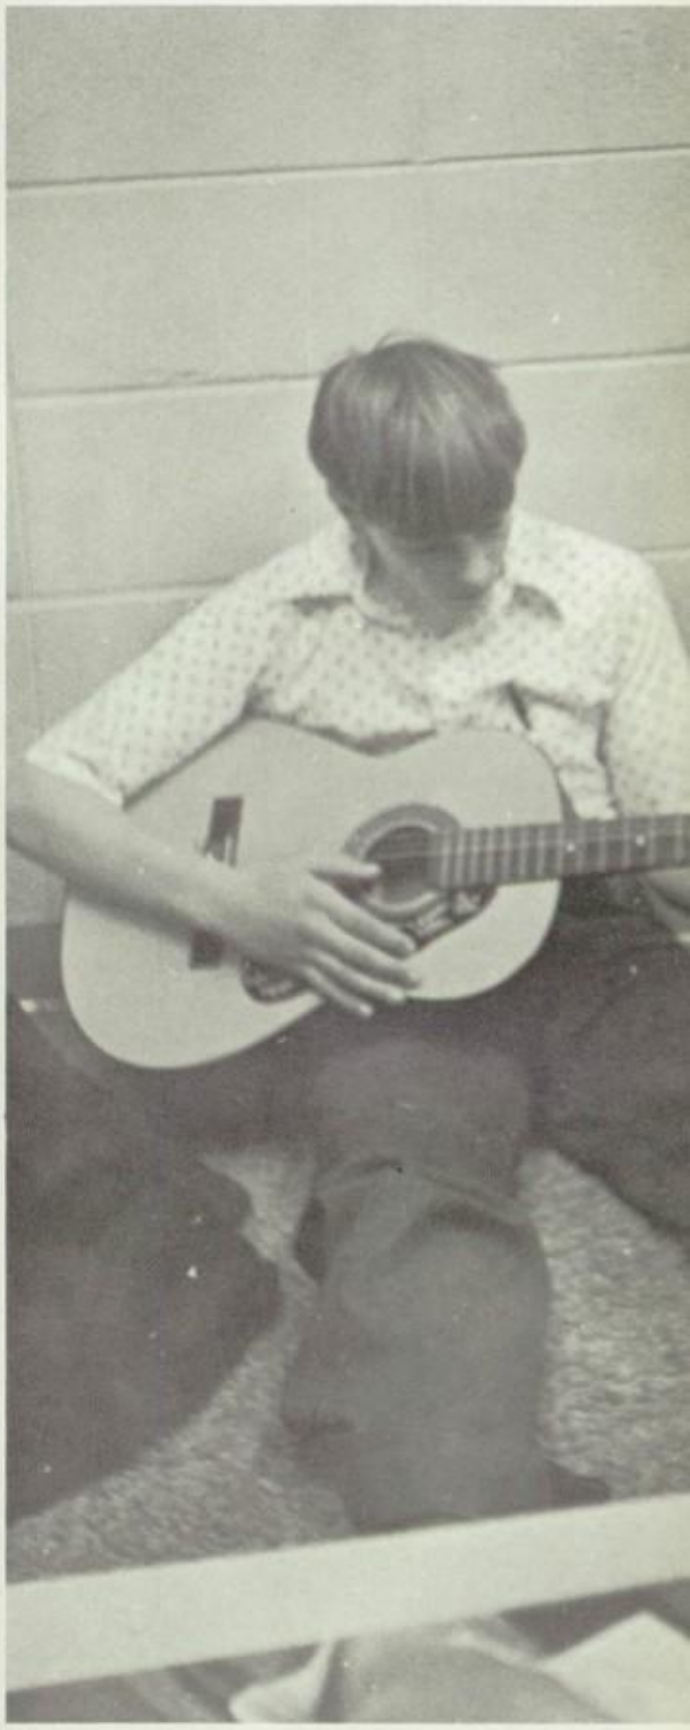
Unlike basketball, prom and homecoming "School Life" can not be placed into a season of the year. No, "School Life" is made up of little and big things that happen day by day. It is the living part of this building we call HHS.

What you see on these pages is our school. It is all of us together that make Horicon High School. If you were a visitor coming to Horicon High this is what you would find . . .

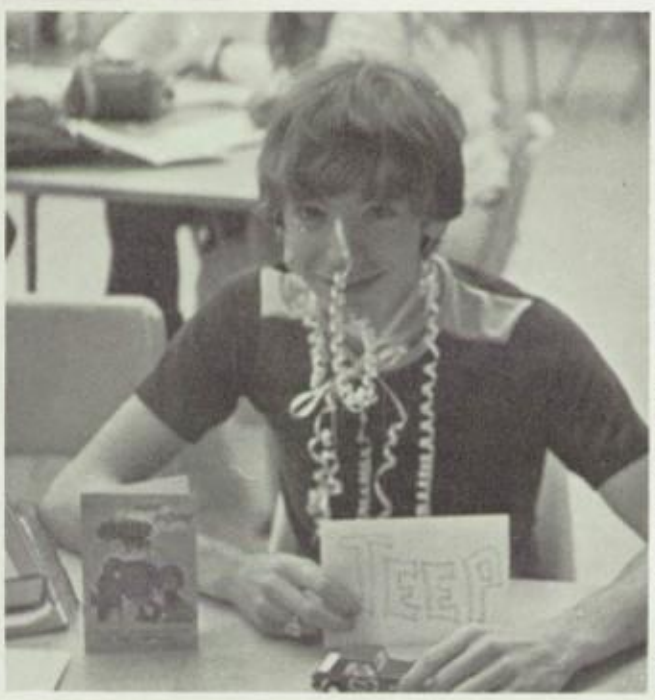






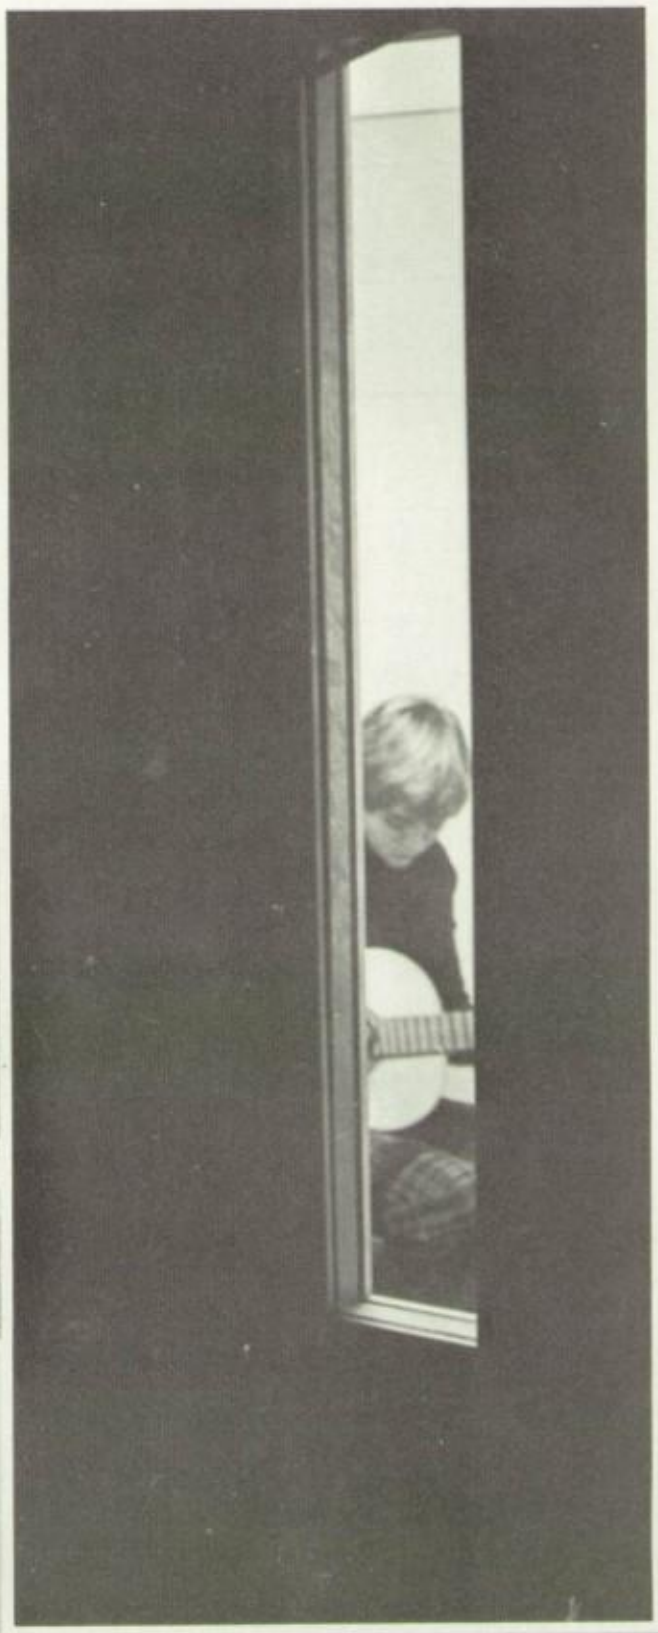


Moving when the bell rings, taking laps around the hall, never listening to announcements, studying hard for tests, a soda in the cafe, getting a pass when you are late to class, reading in the library, cooking stewed prunes, cementing a sidewalk, cheering loud at pep rallys, waiting to hear your name called over the PA, breaking test tubes in IPS . . .



complaining to the cooks about the food, arguing an issue with a teacher, passing a test, working hard on a composition, laughing with friends . . .

Most of these things should look and sound very familiar because it's these and many more that make up a school day at HHS.



Fall

With Fall comes the beginning of the school year. The doors open and we enter the building. For some it will be the first time and for others their last.

The empty halls soon fill with the sound of voices. Books are passed out, new teachers are met and assignments start coming. Clubs start reorganizing and suddenly you are all tied up with practices and club meetings but you still find time to think and plan for the future.

Fall brings learning, friendships, helpful experiences and some frustrations.

Fall marks the beginning of our 1973-1974 school year.

Drew Comes to Horicon

Making his home in Horicon for the 1973-74 school year was Andrew Russell or Drew as he was more commonly known.

Coming from Wanganui, New Zealand, Drew was much interested in art, history and drama. While here Drew belonged to the AFS Club and the Debate Team.

Back home Drew comes from an average size family of three brothers and one sister. While in Horicon Drew stayed with the Martin Berk family and attended HHS along with his two "brothers", John and Bob, and his "sister", Marcia.

Drew enjoyed modular scheduling and female companionship, for back home he attended an all boys school.

When asked about his future plans he said that he hoped to go to college and to travel.

The First Day

1

2

The doors are open and here they are. The Freshmen are now a part of the student body at HHS.

If you were to listen to some of the things said the first couple of days, you may have heard: "This is my 20th time around. How about you?" "This is mod 8, no mod 9. What mod is this anyway?" "Here comes a Senior. Smile!"

Freshmen Have Undefeated Season

1

"Fantastic!" This is the word that Coach Harvey Tjader and Coach Louie Anthoine used to describe this years Freshmen Team. David Hecht was leading rusher and "Hammering" Henry Goebel had the most tackles. Coached by Mr. Neimuth and Mr. Kaul the Jr. Varsity ended the season with a 4-4 record. Ross Robinson was the leading rusher and Greg Buhlog was best defensively.

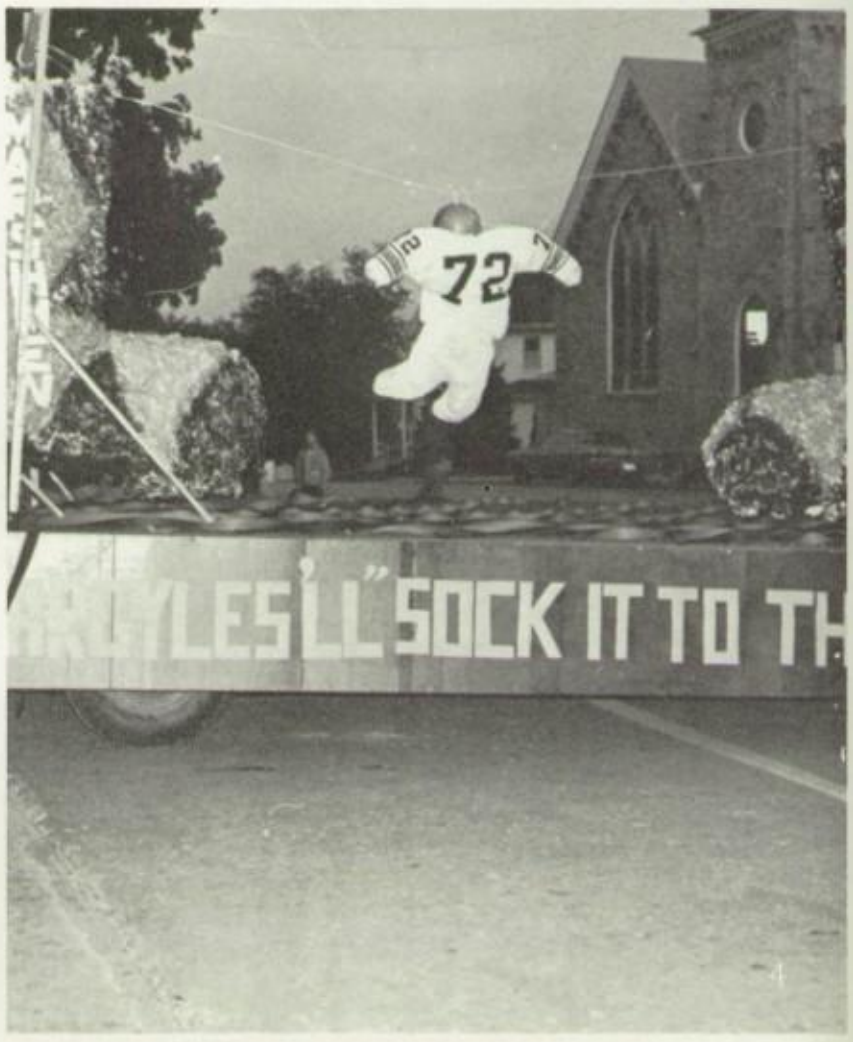
Homecoming, A Busy Time at H.H.S.



Homecoming is always a busy week at HHS and Homecoming 1973 was no exception. The cheerleaders helped to bring out our spirit while the Student Council planned the weeks activities and sponsored a dance on Saturday night. A record hop was held by the Junior Class on Thursday and on Friday night the football players added to the occasion by defeating Oakfield. Reigning over the occasion were King Bob Young and Queen Sally Dittberner.

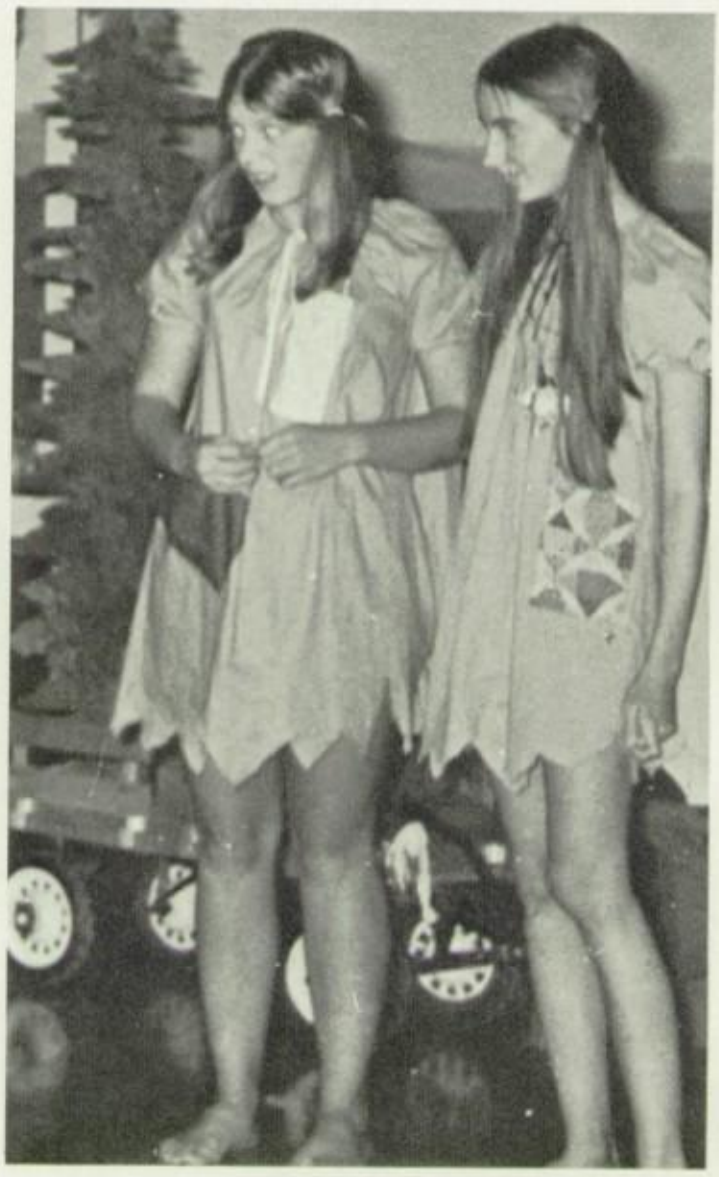
Rehearsals Begin for "Annie Get Your Gun"

After one hundred hours of rehearsal the cast, crew and pit band under the direction of Miss Leitzen and Mr. Ritter were ready for the opening night of the all school musical. The gym lights dimmed, the band struck up the overture, and the curtain opened on...

. . . "Annie Get Your Gun"



Starring in the popular musical were Patrice Bell as Annie Oakley and Bob Denman as Frank Butler. Discovering Annie was Buffalo Bill portrayed by Andy Bath. Adding to the excitement were Dolly Tate portrayed by Abigal Knop and Wayne Vorphal as Chief Sitting Bull. More than 70 students were involved in the production.

Cross Country

HHS is very proud of Coach Tom Bjork's CC Runners. Among all their accomplishments, which was highlighted by a 4th at the State Meet after being ranked 5th in Class C, was the breaking of the school record. The new record now held by Dennis Braun, stands at 13:06.

With Winter came dark halls and wearing coats and sweaters to class due to an attempt to conserve energy. Winter also meant coming to school before sunrise.

Before Santa visited HHS we were visited by teachers and administration working on North Central Evaluation.

The cold and darkness did not dampen the Christmas spirit, for the halls were decorated by both teachers and students. A Christmas program was held and HHS's Rock Band made their first live appearance.

Winter brought snow and also student-teacher ideas and views, when a forum was held in the chorus room.

Highlighting the month of February was a Variety Show in which the talent of HHS was exposed.

Variety Show Brings Out New Talent

No longer let it be said that there is no talent at HHS. February 21 was the night chosen to hold a variety show, the first one in six years. Acts consisted of singing, dancing, instrumental numbers and acting with both teachers and students getting involved. The idea was organized by Mr. Ritter and Miss Leitzen with John Gardner as MC and Connie Backhaus as pianist.

Spring

For Spring we turn the calendar back to the year 1973.

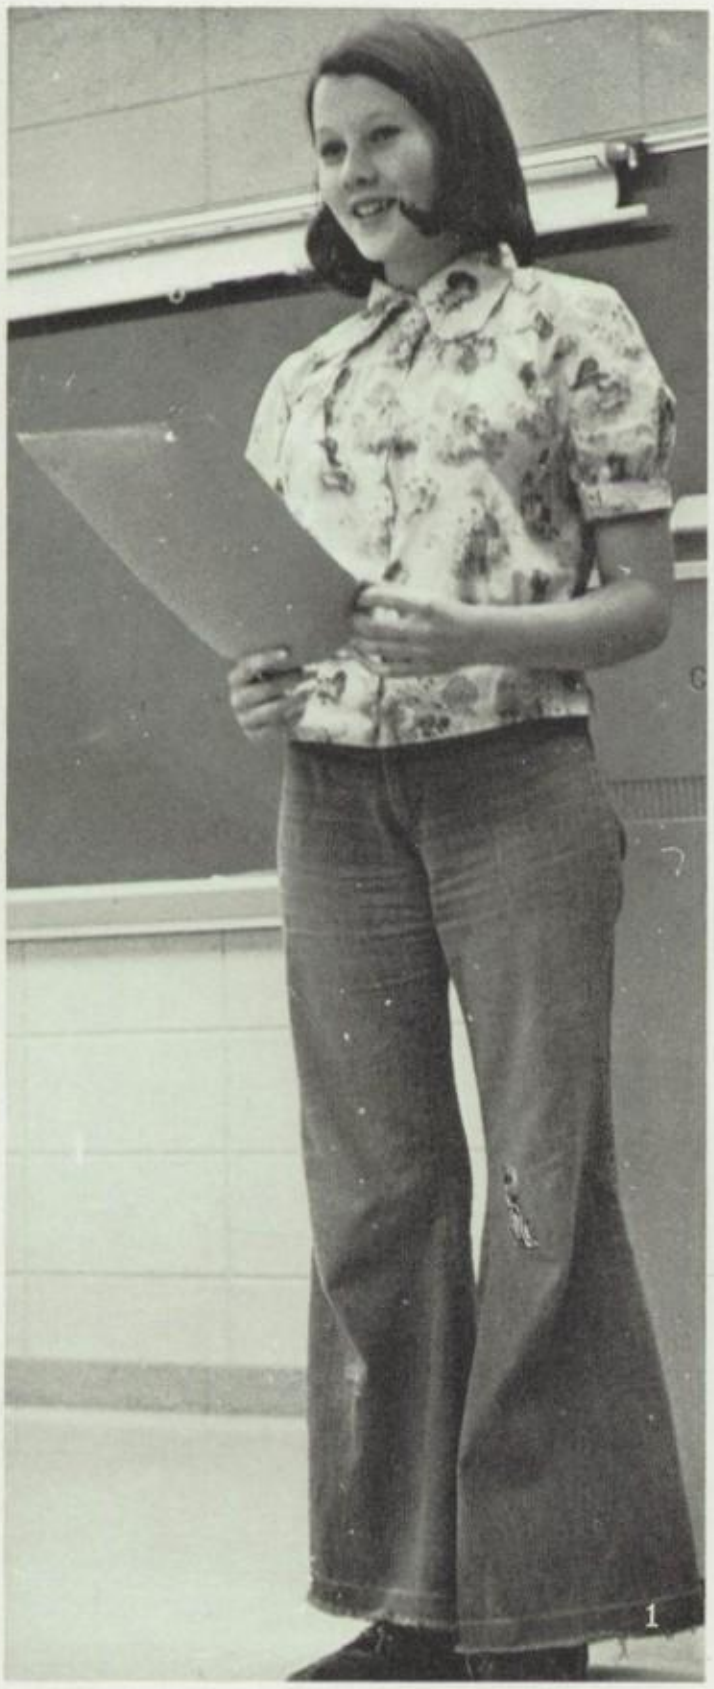
With Spring came a variety of activities. Forensics was well underway with contests held almost weekly. Tri-Arts had a big turnout with the number of exhibits and viewers bigger than ever.

Prom consumed much of the Junior Class' time and April 28th was an eventful night.

Spring was also a successful season for sports. The track team sent a large number of boys to State, the golf team took Conference and the baseball team went to Regionals.

Forensics

The forensics team did a remarkable job and have a trophy to show for it. Horicon and Dodgeland tied for First Place in the Conference. Later in the year, Horicon sent a play and five other contestants to the State Meet on April 28th. Four of these people returned home with "A" ratings. Coaches were Mrs. Johnston, Miss Kessenich, and Mr. Ritter.



1. Debbie practicing her poetry. 2. State "A" forensic winners were Laure Sharkey, Jill Vander Schaff, Diane Hoffman, and Patrice Bell. 3. Mrs. Johnston giving Mary a few helpful hints.

May 17, 18 and 19th were the days set aside to hold the Annual Tri-Arts Festival. There were various art displays decorating the gym and halls, a fashion show and a gymnastic presentation. Demonstrations were given on macrame', graphics and pottery.

Providing the music was the band, chorus, Madrigals and a tuba-accordian duet. The Lecture Hall was a busy place with puppet shows, Forensic readings and a children's play being done here.

On Thursday night the cafe was decorated as a German winegarden, while the German Club sold refreshments. On Friday the Spanish Club took over and on Saturday the cafe was turned into an old fashioned ice cream parlor by the "American Club."

Bringing back the tradition of Prom the Junior Class chose the theme "To Each His Own" to set the mood for their Prom.

By April 28th the gym was decorated in various shades of blue with an enormous gazebo in the middle. Providing the music was a 28 piece orchestra from Whitewater.

Announced that night to reign over the evening was King Terry Heller and Queen Jackie Sternweis. Leading the Grand March were Prince Scott Tjader along with Princess Barbara Fetter.

After the dance the evening continued at the Golf Course where for the first time a Post Prom was held. Here a lunch was served and music was furnished by Tim Beall on guitar.

By Sunday afternoon the gym was empty and the decorations gone. Only memories and wilted flowers remained.

2. A view of dancers and spectators alike. 3. Dan and Eugene being admired by the girls. 4. A view of the gazebo roof from the inside. 5. Cynthia and Eugene dancing up a storm. 6. The gazebo holding the band. 7. King Terry and Queen Jackie taking a rest.

Dual Record: 6-3-0

1. VARSITY - Randy Fleming, Steve Kaiser, Tom Kaiser, John Gardner, Coach Traughber, Dave Zubke. 2. JR. VARSITY - Dave Kline, Doug Spittel, Scott Schalinske, Dave Lohr, Rick Curry. 3. FRESHMEN - Jeff Miller, Jim Wilke, Brian Reetz, Bruce Reetz, Scott Pahl, Jeff Little, Jim Powers.

Tennis

The Tennis Team coached by Larry Hereid despite their 1 win and 13 loss record were steadily strengthing their forces. There were a large number of Freshmen participating which should be advantageous during the next three years. An outstanding player was Bill Snyder who had a 13 win and 5 loss record. Horicon still remains the only school in the Conference to have a Tennis Team.

HHS seems pretty crowded this year with about 140 Freshmen jamming the halls. The first days we were all worried about schedules, teachers and upperclassmen. We elected Bob Zubke as Pres/Vice-pres and David Hecht as Sec/Treas. Jack Hoffman, Carrie Olson, Dan Classen, Scott Wrucke and Missy Mayo were elected to Student Council. At the end of October came a new experience for us, Homecoming. We had a good turn out at Bischoff's to work on the float but in spite of this we came in 4th. Most of us thought Homecoming was fun and look forward to next year when we'll win the Spirit Stick. Our football team went undefeated and broke the old record of 6-0 to set a new one of 7-0. Some of our guys went out for CC and helped the J. V. to get 2nd in Conf.

But we did not stop here, we went on cheering for our basketball team and wrestlers. Next came the spring sports and a lot of us went out for them. This was also our first year of seeing Tri-Arts in the making and we were surprised at how much work goes into it. It was really a change to the Mod System but the majority of us like it. The year has been OK but many of us believe that: "Happiness is not being a Freshmen!"

We began our Sophomore year rejoicing that we were no longer Freshmen and now thought we were able to get away with more, but we were soon informed we were still underclassmen. This year opened many new things for us. We got some subjects we never had before. Homecoming came early this year so right from the start we had to think of an idea for a float. The slogan "We'll Fry the Y-Oaks" was chosen. Our float, which was made at Flemings, received 3rd place, which isn't bad, but we vowed to do better next year.

In November a man from Josten's came to discuss our class rings, and in early December he returned to take our orders and a $10 deposit. Meanwhile, Student Council asked each class to do a play for the Christmas Program. After much deliberation, we finally wrote a play called "Best Christmas." The day came for the program and although we messed up a few lines, we pulled it off nicely. Second semester a lot of us started behind the wheel. It's hard to believe that pretty soon we will hopefully have our licenses. We also started to think about next year's elections because it will be a year in which we will have to make a lot of important decisions. We tried hard to do the best in everything and although we were defeated and put down a lot of times, we came back bigger, stronger and better everytime.

Juniors

The year of decisions has settled upon the Juniors. Our new elected leaders were Pres/Vice-pres Bobbie Benter and Sec/Treas Lois Neitzel. Student Council representatives this year were Sally Geddes, Diane Hoffman, Gary Maas, Laure Sharkey and Karen Woock. Our first plan of action was our Homecoming float. The slogan "We'll Tie a Victory Ribbon Around the Old Oak Tree" placed us 2nd.

We remained active by holding a Sock Hop after the Homecoming Parade. This was the first seen at HHS, and it was a huge success. We also held a Halloween Dance which was co-sponsored by the Jaycees. The group "Bacchus" provided the entertainment. At the Christmas program we provided musical entertainment with live music featuring David Froemming and Sarah Birr, and a chorus of classmates to sing Christmas carols. There was much debating concerning prom, and we thought we would never reach a decision, but as always things worked out. We are all looking forward to the coming year. Graduation, pictures and a lot of new events will be coming our way.

"All things must pass, none of life's strings can last, so, I must be on my way and face another day." This motto reflects the ideas of the Senior class as June draws closer and graduation nearer.

It will not be long before Seniors, dressed in maroon and gold robes are handed a diploma and a rose; probably their final memories of high school.

The song "The Wind" will bring back memories of the Class of 1974 being together as Seniors, for, the next time together they will be alumni.

The year is 1974 and the Senior Class is on its way out to make room for the incoming Freshmen. It hardly seems possible that four years have come and gone so quickly. It seems like only yesterday we were trying to build a rabbit float in Sternweis' garage. We really thought we did great receiving Second Place. The gossip column used to be full of remarks directed towards us Frosh.

And we were surely terrified of certain Senior girls. Speaking of being terrified, I'm sure we all remember the size of Mr. Hayes. Mr. Tjader got quite a few stares also, but not because we were afraid of him. We were just beginners then and it was quite evident. Can you imagine charging three dollars for class dues! And class meetings, they were really a disaster, not that Pres. Bob Young didn't try.

Our Sophomore year came around and so did some changes. Mr. Kotewa became principal and he stuck with us for the next two years. We were finally done with IPS and moved on to better things like bloody Drivers' Ed movies. Under the leadership of Pres. Barb Gietzel we got our shiny new class rings. We also managed to get the spirit stick most of the time at pep rallies. We lowered our class dues to two dollars and moved our float decorating out to "the barn". We all thought our elephant was pretty good even with third place.

This was also the year for "Guys and Dolls", a great musical success involving many Sophomores. Four out of the five dolls were Sophomore girls. This was also the year Mr. Schultz left. He probably foresaw what kind of drivers we'd make. Despite this during the summer many of us did get our license. And just in time for prom. It took a couple of votes but we did decide to bring back the tradition of prom. Mr. Ritter was a great help although his water fountains were a flop.

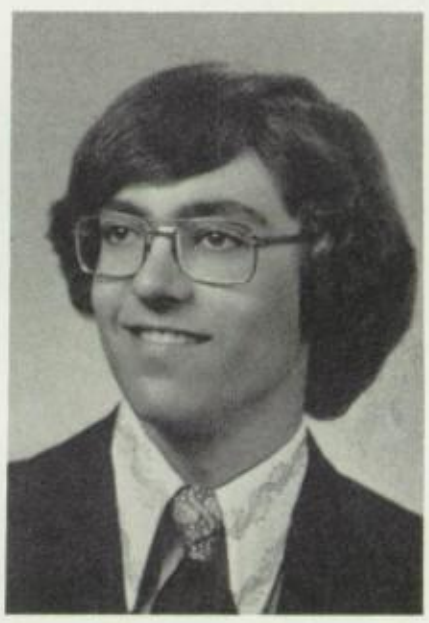
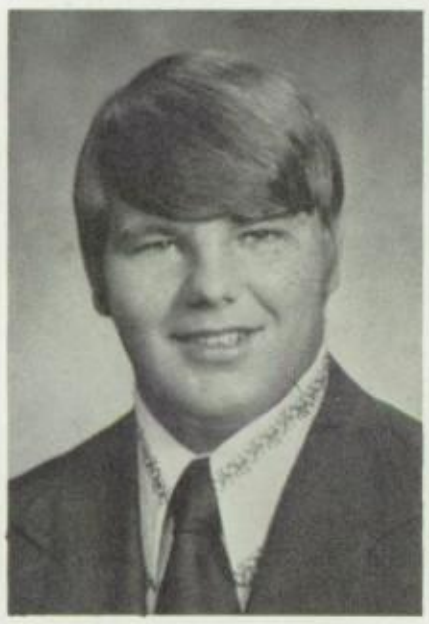
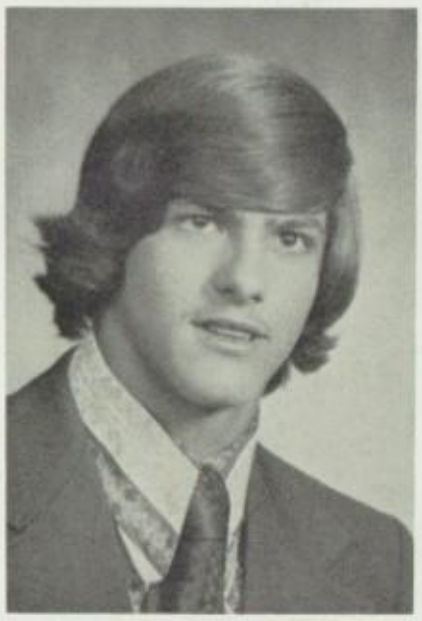
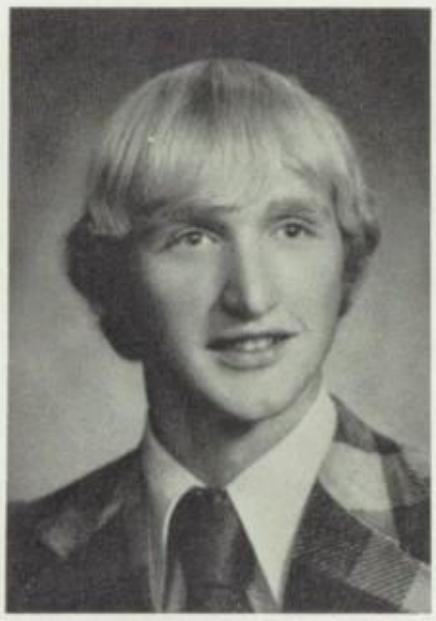
Bonnie Plautz was our class president during our Junior and Senior years. We went into our last year with the most money a class ever had. Under Bonnie's guidance, we started working on open campus. Our Homecoming float received first place and "Half a Sixpence" was a first rate musical. Mr. Mayo came to replace Mr. Laundrie and Mr. Richardson came to take over Mr. Behnke's classes for the remainder of the year.









As Seniors we started off by capturing the spirit stick at the first pep rally. We then went on to receive another first place on our float. Mr. Tjader really knew how to paint argyle socks. Class dues were all the way down to $1.00. We also made a rule that only members of the class with their dues paid were allowed to vote. We used a lot of lecture time to hold meetings and decide about graduation, class trip and open campus.

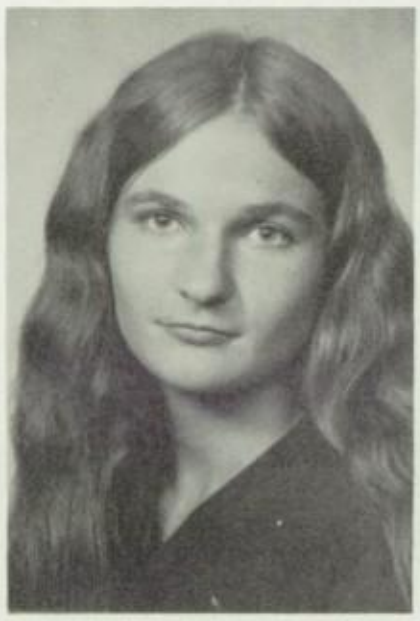
We went into our Senior year with the most money a class ever had. Maybe our three dollar dues paid off. Some late talent also bloomed with the Christmas program and Variety show. Our rock group was a great success. Sock Hops came back into popularity and were a real money maker. Lots of time was spent in Mr. Ford's office filling out our applications for colleges and vocational schools. With open campus many found jobs to occupy their time and earn some extra money.



And here we are back to the year 1974. The last four years were memorable ones and did go very fast. Our high school years are almost over and it won't be long before we find ourselves walking out of the gym on graduation night and into the world. It's a little scary to think that we will no longer be watched over by our teachers but instead we will be on our own. Our high school education is coming to a close but our learning by experience has just begun.

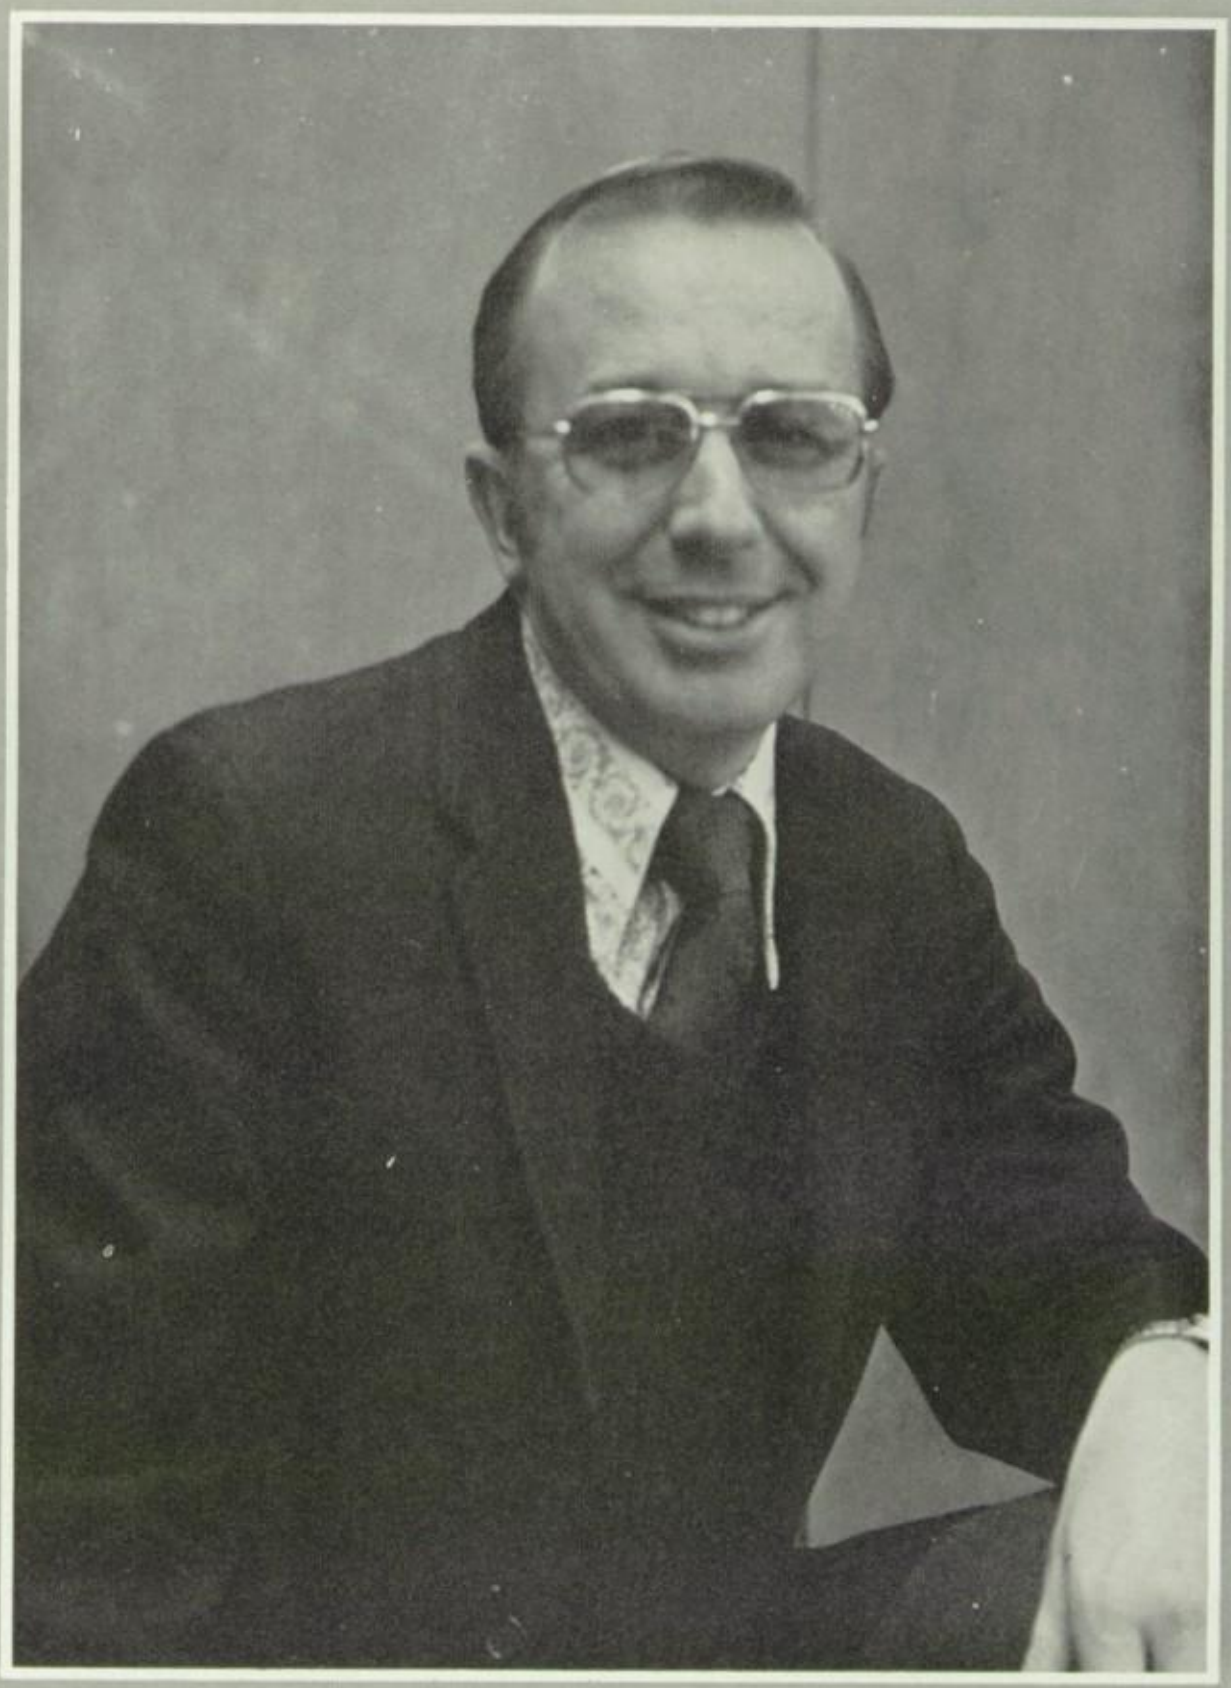
4. Receiving the highest honor of Valedictorian was Grace Miskimen.

5. Representing Horicon at Badger Boy's State were Terry Heller and Gary Westphal. Badger Girl Representatives were Sally Dittberner and Lori Wrucke.



The members of the Senior Class have chosen to dedicate this annual to Mr. Earl Ritter who has advised the class during their Junior and Senior years. Besides advising the class, Mr. Ritter also supervised their Prom. You could find Mr. Ritter spending most of his time in the Art Room where he teaches a number of classes. However his day does not end at 3:30 for he can be found after school coaching forensics, advising the annual, organizing Tri-Arts, directing the musical or planning a variety show. It has been said that the Class of 1974 has been successful because it has a lot of spunk, but a great deal of credit also belongs with an advisor like Mr. Ritter who believes in and works with the class.
